#### Startling But True.

People the world over were horrified on learning of the burning of a Chicago theatre in which nearly six hundred people lost their lives, yet more than five times this number or over 3,000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Every one of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have ward off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. Sold by Wm. Comstock & Son.

## COURT HOUSE NEWS

Happenings in and About the Temple of Justice.

Nathaniel F. Shipton has commenced suit for divorce from Laura J. Shipton. He says they were married in October, 1879, and have three children, the oldest of them past twenty years. He alleges that she has always been of a quarrelsome and jealous disposition and continually scolded him. He alleges that she left him on January 8th, 1903, and has been absent from him for more than three years.

The commissioners considered the petition of the signers of the Henry road Friday. This petition proposed the stoning of the road in Lake township between Moline and Millbury. Some twenty requests were received from signers who wished their names withdrawn, which left the petition with too few names to warrant the commissioners in viewing the road to ascertain whether it was needed, and the petition was dismissed.

Claude Huber who was indicted by the grand jury on the charge of stealing a horse, was found not guilty by the jury Wednesday afternoon. Huber was charged with stealing a mare from the pasture of Thomas Argue near Risingsun last September.

E. E. Vaughn plead guilty to embezzlement Wednesday and was sentenced to the Ohio penitentiary for one year.

Henry Canterbury was taken before Justice Nearing Saturday on the charge of not supporting his minor child. He waived examination and was bound over to the grand jury, bond being placed at \$500. Sheriff Reece brought him back from Columbus a few days ago.

Answering the suit of Harry C. Teal against Nellie Hitchcock Joslin and others, Clarence Joslin denies.

He admits that on Sept. 21st, 1904, Nellie Joslin, then unmarried, conveyed to him the real estate in question.

He says he purchased it for \$10,000, paying \$200 in cash the balance to be paid to secure the discharge of a lien of \$9800 on the property. He asks that his title may be quieted. Edward Beverstock is his attorney.

On Wednesday morning (Valentine day) Judge Fries handed down five decisions in divorce cases as follows: Henry DeShetler from Ida DeShetler.

Mary Scholl Nellis from Joseph Nellis.  
Henry S. Becker from Mary Becker.  
Emma Allen from William Allen.  
Irma S. McCann from Wilbur F. McCann.

Allen E. Steyenson sues the B. & O. R. R. for damages sustained by having a hand cut off while in the service of the company. He claims \$10,000 damages.

Isadore Ducat wants \$5,000 damages from the Ohio Oil company for injuries sustained. He was climbing the ladder on one of the company's rigs which gave way and his fall to the ground caused him to suffer paralysis of his shoulders and arms.

Wood county sent a party of prisoners down to the O. P. on Tuesday, among them being E. E. Vaughn, one year, embezzlement; George Bennett, five years, chicken stealing—burglary; Albert Bartz, four years, robbery; James Hardee, one year, forgery.

The Citizens Banking Company has taken judgment against Adam Weiland on a note by default.

Abraham P. Baker has commenced suit against Leonard Meek to have his interest in nine acres of land in Road tract No. 28 in Perrysburg (Continued on Fourth Page.)

## ONE HUNDRED DOLLARS

Per Month and Milage for Members of Legislature.

As soon as the Freiner two-cent fare bill had passed the senate, Senator Beatty, of Wood county, announced his intention of introducing a bill to make the salaries of members of the legislature \$100 a month, or \$2,400 for the whole two years of a term, and to allow, in addition, for the necessary traveling expenses, estimated to be sufficient for a trip home every two weeks during the session, says a Columbus special to the Blade.

"I shall not be a candidate for reelection," said he, "and so am not personally interested in increased compensation, but I think proper salaries would get better men, and knowing that the members get no courtesies from the railroads, anti-pass bill or no anti-pass bill, it seems only right for the state to pay the necessary traveling expenses."

## KILLED BY TRAIN

Fatal Accident on O. C. Ry. at Bowling Green.

A fatal accident occurred at Bowling Green on Monday evening. Elmer G. Stearns, aged 53, was struck by the Ohio Central passenger train and instantly killed. He was walking along the track and when the warning whistle sounded he stepped immediately in front of the engine.

Death was instantaneous and the man never probably realized what had struck him. His skull was crushed, the neck broken, the left arm above the elbow, the back broken and every rib torn loose from its fastenings, yet the skin was hardly broken, the only abrasion noticeable being on the left shin where the body in the fall after being hit, must have struck something.

Mr. Stearns was well known in Bowling Green, and leaves a wife and one daughter.

## IMPORTANT CAPTURE

Wood County Officials Arrest Another of the Thornton Murderers.

Sheriff Reece and Deputy Sheriff John Shucraft made an important arrest last Saturday when they captured Frank McGuire at Toledo, who is known to be one of the gang of men who killed Marshal Thornton of this place last December.

Deputy Sheriff Shucraft, who is known by Wood county officials to be a shrewd and brave officer, has been keeping his eye open for several weeks in hopes of capturing McGuire, and on last Saturday he telephoned Sheriff Reece to come down to Rossford at once. Reece knew that John had something important on hand and immediately hustled down to meet Shucraft and together they went after McGuire whom they found on the river just above the Fassett street bridge, where he was putting on his skates preparatory to taking a skim over the frozen bosom of the Maumee.

The two officers approached him from different directions and as they were closing in on him McGuire saw what was up, and throwing away his skates started to run. Reece called for him to stop and as McGuire saw two husky men with two lovely guns pointing in his direction he concluded it was wise to give up the game. He was arrested and brought to B. G., where he is now awaiting further development. He has been identified as one of the gang.

McGuire has a police record, having served a term in the Ohio penitentiary for robbery.

Much credit is due the Wood county officers for their clever work in securing McGuire.

There is no doubt of his being one of the gang that did such vicious work in Perrysburg.

## KIRBY SAYS NO

That he Has Not Confessed to Anything.

Martin Kirby, who is in jail on the charge of being one of the five desperadoes who shot Marshal Frank Thornton at Perrysburg on the night of December 27th, while the latter and Deputy Scott were endeavoring to arrest them, resents the statement that he has made a confession and asks that the following be printed. The McGuire referred to is the young man arrested by Sheriff Reece and Deputy Shucraft on Saturday on the same charge.

"Under date of February 12th the News Bee printed the following. It said Martin Kirby in his confession stated that Frank McGuire fired the shot that killed Marshal Thornton. Kirby has this to say: I have never made such a statement or confession covering this case, as I am innocent and therefore I know nothing concerning the case.

"Please publish and oblige.

"MARTIN KIRBY."
